Mr. Ray Kennedy
Ruppert Stadium
Wilison Avenue
Newark, New Jersey

Dear Mr. Kennedy:

I am writing first to enclose you a schedule of the dates when the EAGLES will play at Ruppert Stadium this season up to and including July 4th. We make the schedule up in halves, as you know.

Will you please let me know if it will be possible for us to play Friday night, May 25th? It would be our first night game, but I know you want us to wait until the Bears have started their night season at home. You will be in Newark the 17th, 18th and 19th and I thought if possible you might start your nights at that time.

Please let me know about this as soon as possible as we will hardly play the game if it cannot be played at night.

Very truly yours,

EFFA MANLEY
Business Manager
